CampusOne Residence Access Meal Plan Terms and Conditions – 2026/2027

Where Your Meal Plan Dollars Go

Your non-refundable Residence Access Meal Plan represents a commitment to eat a predictable number of meals in the CampusOne Dining Hall over a specified period.

In return for this commitment, the Food Services team plans the annual program, hours of operation, menus, staffing levels and corresponding services. Access Meal Plan funds contribute to associated costs, such as, but not limited to, labour, cost of food, equipment, facility maintenance and utilities.

CampusOne Residence Meal Plans

The Access Meal Plan and the Summer Meal Plan are governed by CampusOne's Lease Agreement and Dining Program Addendum 2026/2027 (refer to CampusOne agreement details). Food Services meal plans are referred to in this agreement as the Residence Access Meal Plan, Access Plan, and Summer Meal Plan.

The CampusOne Lease Agreement and Dining Program Addendum 2026/2027 terms agreement (Tenancy) is an automatic acceptance of an Access Meal Plan and Summer Meal Plan, and all the terms and conditions therein, and Meal Plan Terms and Conditions contained herein. All costs and fees associated with the meal plans are payable in accordance with the CampusOne Lease Agreement and Dining Program Addendum 2026/2027.
